Help us keep our equipment modern and efficient

I hope this letter finds you well.

As the Director of Clinical Services at St. Vincent's Private Hospital Toowoomba, I am writing to you as part of our 2024 Tax Appeal seeking assistance to purchase two new ECG machines for the cardiac ward in our hospital.

An electrocardiogram (ECG) machine is an indispensable tool in the diagnosis and monitoring of cardiovascular conditions. In regional areas like ours, where access to specialized medical services may be limited, having new ECG machines onsite **can be lifesaving**. We can quickly and accurately assess cardiac health, enabling prompt intervention when necessary.

The cost on these two new ECG Machines is \$17,400 and we have already raised just over \$3,000 for their purchase. Your support this tax time will help us achieve our goal.

An ECG machine empowers our healthcare professionals to make informed decisions quickly. With rhythm interpretation we can:

1. promptly identify cardiac abnormalities
2. assess the effectiveness of treatments
3. adjust care plans accordingly.

This proactive approach to patient management helps prevent complications and reduces hospital stays which ultimately lowers healthcare costs.

Investing in these new ECG machines aligns with our commitment to providing high-quality, comprehensive healthcare services to the community we serve. It demonstrates our dedication to staying at the forefront of medical technology and ensures our patients receive quality care close to home.

St Vincent's Foundation Queensland
2024 Tax Appeal
Better and fairer care. Always.

St Vincent's Care

St Vincent's Private Hospital Brisbane

St Vincent's Private Hospital Northside

St Vincent's Private Hospital Toowoomba

You can help today by making a gift to help purchase these ECG machines.

Please consider the value that these new ECG machines would bring to St. Vincent's Toowoomba and our patients. By making this important investment, we will enhance our diagnostic capabilities, improve patient outcomes and uphold our reputation as a quality healthcare provider servicing a region which stretches west to the border, north to the South Burnett and south into northern NSW.

Every contribution you can make, no matter the size, makes a tangible impact on the lives of those we care for.

*At St Vincent's we say better and fairer care, always.
You can help us achieve that.*

To donate to this Tax Appeal before June 30 and help with the purchase of these new ECG machines, please:

- return the enclosed donation form in the reply envelope today.
- visit www.helpstvincentsqld.org.au and click on St Vincent's Private Hospital Toowoomba 2024 Tax Appeal button.
- or contact St Vincent's Foundation Queensland on **1800 161 197**.

Thank you for your compassion and support of those in need.

Yours sincerely,

Malcolm Casey

Director of Clinical Services

St Vincent's Private Hospital Toowoomba

P.S. Thank you for considering our tax appeal and for your commitment to improving healthcare in our community. Please donate before June 30, 2024. I am confident that acquiring these ECG machines will be a worthwhile investment for our hospital and especially for the community we serve. You will also receive a tax deductible receipt for your generous gift.
